Funds allotted to States by Government for development activities

*94. DR. MOHD. HASHIM KIDWAI: Will the Minister of PLANNING be pleased to state:

(a) the names of States where funds given by the Central Government for development activities have not been utilised during the last three financial years;

(b) whether any monitoring in this regard has been carried out in these States; and

(c) if so, the details thereof and the action taken by the Government?

THE MINISTER OF PLANNING AND THE MINISTER OF PROGRAMME IMPLEMENTATION (SHRI MADHAVSINH SOLANKI): (a) Statewise funds released by Central Government and utilised both in respect of State Plans and Special Area Programmes are indicated in Annexure. [*See* Appendix CXLIX, Annexures Nos. 33, 34, 35, 36]. Though, in absolute terms, all States have reported expenditure equal to or more than the Central assistance released, in some cases the approved Plan outlay could not be reached. As for the Special Area Programmes, there have been unspent balances in particular years but considering that these funds were meant for tackling special problems, States have been urged to utilise the unspent balances within the Plan period.

(b) and (c) The progress of expenditure is being monitored on quarterly basis since 1986-87 and attention of the States is drawn to significant shortfalls with a view to ensuring full utilisation of approved Plan outlays.

Commissioning of Narora Atomic Power Plant

*95. SHRI MURLIDHAR CHANDRAKANT BHANDARE:
SHRI MAHENDRA PRASAD:

Will the PRIME MINISTER be pleased to state:

(a) whether the first Unit of Narora Atomic Power Plant has been commissioned;

(b) if so, when and at what cost and if not, by when it is likely to be commissioned; and

(c) what is the power generation capacity thereof?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) and (b) The Unit-1 of Narora is expected to achieve criticality in March 1989. The estimated cost for the two units at Narora is Rs. 532.85 crores.

(c) The power generation capacity is 235 MWe (gross) per unit aggregating to a total of 470 MWe (gross) when both units are operational.

Import of Anti-Cancer Drug Danazol

*96. SHRI RAJNI RANJAN SAHU:
DR. (SHRIMATI) SAROJINI MAHISHI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what is the quantity of Danazol, an anti-cancer drug imported during the last three years, year-wise, along with the names of each importer, quantity imported by each and landed cost of import per kg.;

(b) whether Danazol is also being imported in finished formulation; and
